

Third Grade News

Claymont Elementary School

December 2021

3401 Green Street, Claymont, Delaware 19703 Phone: (302)792-3880

Reading

We are continuing to read fiction and nonfiction chapter books daily. Our current book is *Minerals, Rocks and Soil*. Our next book will be, *Because of Winn Dixie*. Afterwards we will read, *And Then What Happened to Paul Revere*. In addition to reading, students will continue to write daily written responses for 15 minutes.

Math

We will be focusing on Measurement and Data. Students must take their time to read math problems thoroughly to understand what they are asked to do. In addition, please have your child work on Zearn located in Classlink during any down time. This is great for building fluency and practicing math skills.

Writing

Students will continue working on narrative, opinion and informative writing. Please encourage your child to write complete detailed sentences on their written responses. Please keep an eye out for graded written responses with a grading scale of 1-4.

Social Studies

In Social Studies, students are learning various topics through current events.

Student of the Month Winners for Marking Period 1:

Mrs. Mack & Prado- Chloe E., Guadalupe P., Kaia S., Malyn S.
